Dear community member:

The Geneseo Food Pantry typically provides 75 to 100 households per month with food, clothing, household items, transient aid and emergency assistance. We are very grateful for the generous support we have received from our community for many years. Now we invite you to help us prepare for the future of the Food Pantry and make our building project a success. We are hoping to raise approximately \$1,000,000 to add on to a building purchased under advisement of the Geneseo Ministerial Association, and we will appreciate any gift which can move us toward our goal.

Enclosed you will find a brochure regarding our Food Pantry's mission and plan for the building, as well as a pledge card you can use if you are willing and able to help us. Thank you for your consideration of our request for your help in making our community a better place.

Sincerely,

Jolynn Kitterman  
Director, Geneseo Food Pantry
